

RAILROAD RETIREMENT BOARD

Proposed Collection; Comment Request

Summary: In accordance with the requirement of Section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Title and purpose of information collection: Statement of Authority to Act for Employee; OMB 3220-0034.

Under Section 5(a) of the Railroad Unemployment Insurance Act (RUIA), claims for benefits are to be made in accordance with such regulations as the Railroad Retirement Board (RRB) shall prescribe. The provisions for claiming sickness benefits as provided by Section 2 of the RUIA are prescribed in 20 CFR 335.2. Included in these provisions is the RRB's acceptance of forms executed by someone else on behalf of an employee if the RRB is satisfied that the employee is sick or injured to the extent of being unable to sign forms.

The RRB utilizes Form SI-10, Statement of Authority to Act for Employee, to provide the means for an individual to apply for authority to act on behalf of an incapacitated employee and also to obtain the information necessary to determine that the delegation should be made. Part I of the

form is completed by the applicant for the authority and Part II is completed by the employee's doctor. One response is requested of each respondent. Completion is required to obtain benefits. The RRB proposes no changes to Form SI-10.

Estimate of Annual Respondent Burden

Form Number	Annual Responses	Time (Minutes)	Burden (Hours)
SI-10	250	6	25

2. Title and purpose of information collection: Statement Regarding Contributions and Support; OMB 3220-0099

Under Section 2 of the Railroad Retirement Act, dependency on an employee for one-half support at the time of the employee's death can affect (1) entitlement to a survivor annuity when the survivor is a parent of the deceased employee; (2) the amount of spouse and survivor annuities; and (3) the Tier II restored amount payable to a widow(er) whose annuity was reduced for receipt of an employee annuity, and who was dependent on the railroad employee in the year prior to the employee's death. One-half support may also negate the public service pension offset in Tier I for a spouse or widow(er). The Railroad Retirement Board (RRB) utilizes Form G-134, Statement Regarding Contributions and Support, to secure information needed to adequately determine if the applicant meets the one-half support requirement. One response is completed by each respondent. Completion is required to obtain benefits. The RRB proposes no changes to Form G-134.

Estimate of Annual Respondent Burden

The estimated annual respondent burden is as follows:

Form Number	Annual Responses	Time (Minutes)	Burden (Hours)
G-134			
With Assistance	75	147	184
Without assistance	25	180	75
Total	100		259

3. *Title and purpose of information collection:* Employee Non-Covered Service Pension Questionnaire; OMB 3220-0154

Section 215(a)(7) of the Social Security Act provides for a reduction in social security benefits based on employment not covered under the Social Security Act or the Railroad Retirement Act (RRA). This provision applies a different social security benefit formula to most workers who are first eligible after 1985 to both a pension based in whole or in part on non-covered employment and a social security retirement or disability benefit. There is a guarantee provision that limits the reduction in the social security benefit to one-half of the portion of the pension based on non-covered employment after 1956. Section 8011 of P.L. 100-647 changed the effective date of the onset from the first month of eligibility to the first month of concurrent entitlement to the non-covered service benefit and the RRA benefit.

Section 3(a)(1) of the RRA provides that the Tier I benefit of an employee annuity shall be equal to the amount (before any reduction for age or deduction for work) the employee would receive if entitled to a like benefit under the Social Security Act. The reduction for a non-covered service pension also applies to a Tier I portion of the employee annuity under the RRA when the annuity or non-covered service pension begins after 1985. Since the amount of a spouse's Tier I benefit is one-half of the employee's Tier I, the spouse annuity is also affected.

Form G-209, Employee Non-Covered Service Pension Questionnaire, is used by the RRB to obtain needed information (1) from a railroad employee who while completing Form AA-1, Application for Employee Annuity (OMB No. 3220-0002), indicates entitlement to or receipt of a pension based on employment not covered under the Railroad Retirement Act or the Social Security Act; or (2) from a railroad employee when an independently-entitled divorced spouse applicant believes the employee to be entitled to a non-covered service pension. However, this development is unnecessary if RRB records indicate the employee has 30 or more years of coverage; or (3) from an employee annuitant who becomes entitled to a pension based on

employment not covered under the Railroad Retirement Act or the Social Security Act. One response is requested of each respondent. Completion is required to obtain or retain benefits. The RRB proposes no changes to Form G-209.

Estimate of Annual Respondent Burden

Form Number	Annual Responses	Time (Minutes)	Burden (Hours)
G-209 (Partial Questionnaire)	50	1	1
G-209 (Full Questionnaire)	100	8	13
Total	150		14

Additional Information or Comments: To request more information or to obtain a copy of the information collection justification, forms, and/or supporting material, contact Dana Hickman at (312) 751-4981 or Dana.Hickman@RRB.GOV. Comments regarding the information collection should be addressed to Charles Mierzwa, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois 60611-2092 or e-mailed to Charles.Mierzwa@RRB.GOV. Written comments should be received within 60 days of this notice.

Charles Mierzwa,
Chief of Information Resources Management.
